## **SENG and Bridges 2e Center Partnership During Bridges Parent University Event in 2025.**

**Dec 26, 2024** – SENG (Supporting Emotional Needs of the Gifted) continues our initiative to connect, collaborate, and build partnerships with all groups that support the gifted community. We are eager to share our partnership with Bridges 2e Center in 2025 during Bridges Parent University, a day of meaningful learning to support twice-exceptional learners at home and connect with other families on a similar journey.
