

**FOR IMMEDIATE RELEASE**

## **SENG Receives Generous Donation from Lyceum of Santa Clara Valley**

**December 26, 2023** – SENG (Supporting Emotional Needs of the Gifted) is delighted to announce a generous donation from the Lyceum of Santa Clara Valley. This contribution will significantly bolster SENG's ongoing mission, which since 1981 has been to empower families and communities to guide gifted and talented individuals to reach their goals: intellectually, physically, emotionally, socially, and spiritually.

The donation from the Lyceum of Santa Clara Valley, CA, will be instrumental in supporting the gifted community in Northern California - 2024 SENG Annual Community Conference in Berkeley, CA, and enhance our virtual programming through July 2025, benefiting all gifted individuals and allies supporting our community.

We extend our heartfelt gratitude to the Lyceum of Santa Clara Valley for their unwavering support and commitment to the gifted community.
